

## Kinder wollen lernen: Brüche dividieren

Lia und ihre Freunde haben Hunger auf Pizza. Sie teilen gerecht.

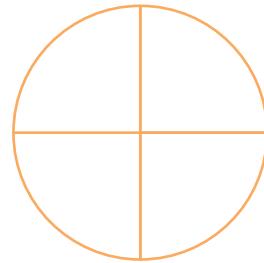

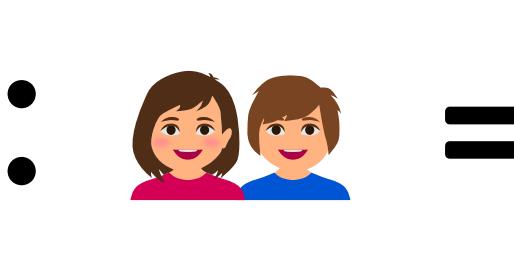

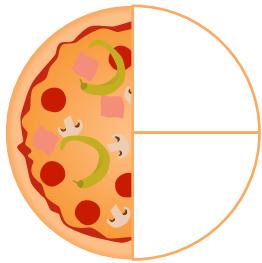

$$\frac{\square}{\square} : \square = \frac{\square}{\square}$$

$$= \frac{\square}{\square}$$

$$\frac{\square}{\square} : \square = \frac{\square}{\square}$$

$$= \frac{\square}{\square}$$

$$\frac{\square}{\square} : \square = \frac{\square}{\square}$$

$$= \frac{\square}{\square}$$
